

**AGREEMENT OF ACADEMIC AND EDUCATIONAL EXCHANGE**

between

**FACULTY OF MEDICINE, HASANUDDIN UNIVERSITY**

Makassar, South Sulawesi Province, Indonesia

and

**AINO UNIVERSITY**

Ibaraki, Osaka Prefecture, Japan

Faculty of Medicine, Hasanuddin University and Aino University agree to collaborate in an academic and educational exchange with the objective of promoting mutual cooperation between both institutions.

1. Faculty of Medicine, Hasanuddin University and Aino University agree to collaborate in academic and educational fields of mutual interest through appropriate means as follows:

- a) Exchange of faculty members and research staff
- b) Joint research activities
- c) Support of lectures, research workshops and symposia
- d) Exchange of published academic research and clinical research
- e) Exchange of students

2. Items pertaining to the implementation of the exchange programs in this agreement shall be negotiated and agreed upon between the departments concerned in each specific case.

3. This agreement shall impose no financial obligation on either institution.

4. This agreement shall become effective on the date signed by the official representatives of the two institutions and shall be valid for five years.

The agreement may be renewed for an extended period before the expiration date upon mutual consent of both institutions.

5. This agreement may be amended with consent of both institutions.

In witness of the above, this agreement is executed in two official copies in English by authorized representatives of each institution and each party retains one copy.
